Wales

TITLE INFORMATION

9781509918409
February 2018
Hardback

This book responds to the gap in the existing scholarly literature, by inviting a range of leading Australian constitutional lawyers and scholars to address the relevance and scope of various substantive constitutional values, and how they might in the future affect the Court's approach to constitutional interpretation in various contexts. Essential reading for anyone seeking a deeper understanding of Australia's constitutional values.
